

**MN District Council of the Assemblies of God Home Missionary
Pastor Carl Lindelien (Director of Pastoral Care) #20100**

Hospital Visitation & Prayer Ministry for the MN District Council of the Assemblies of God

Pastor Carl Lindelien has the joy of ministering with patients in the 22 metro hospitals; Rochester Mayo, St. Cloud, Brainerd and anywhere there is a need in the State. Pastor Carl also visits and prays for individuals who are in long term care, assisted living and hospice care facilities and homes. Visits are also made to people in the State prisons, jails and mental health centers.

Many of the visits and prayer times with patients and their families, are with non-believers. Many of the outstate churches ask Pastor Carl to visit with patients who have attended their church once or twice in their lives. We have the joy of leading people to Christ, during their health care crisis and care for the church people also.

Because we show God's love to everyone and encourage them in their prayer times. It is a real honor to represent Christ, His Church and the Pastors in our District. When we minister to the family, we also get to know the families well. I officiate many funeral/memorial services for the families, who are unchurched families. When I am close to the families of a loved one who dies, the family asks me to officiate at; funeral/memorial services, weddings, baptisms and baby dedications. I also love leading these families to churches in the area they live in.

We see supernatural miracles in peoples lives including; salvation, physical, emotional and spiritual healings. The Holy Spirit is always present with our visits and prayer times with people. We also visit home bound people and believers in memory care facilities.

We love to fill the pulpit for our pastors, when they are on vacation or on a missions trips. We come to be a blessing to the church and the pastor, while they are gone. I attempt to not make a mess in the church for the pastor to clean up, when they return to the pulpit. We also love to help pastors, who can speak to us confidentially about a challenge in their life. We pray with them for God's wisdom to help them with this challenge they are facing.

"Bringing God's; Love, Joy, Hope, Faith, Encouragement and Prayer to believers and unbelievers in His care."

Serving with you,

Pastor Carl & Ms. DeeDee
